

The Green Campus, Energy and Environment Policy

The earth, the air, the land and the water are not an inheritance from our forefathers; but on loan from our children. So, we have to handover to them at least as it was handed over to us.
-Mohandas Karamchand Gandhi

Sustainable initiatives has always been the core of all activities of the institution. The campus has a large variety of species of grasses, herbs, shrubs and trees. The institution encourages all the departments and committees to organize events, competitions and training sessions that enhance positive environmental changes and conservation at the grass-root level. The role of our institution towards sustainability and eco-friendly practices would provide a platform to raise environmental awareness to larger society.

Scope of the Policy:

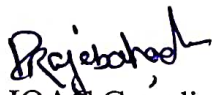

This Policy will facilitate new curricular, co-curricular and extra-curricular practices that encourages students to create positive change towards environment. This would help to create health consciousness and promote environmental values and ethics in the campus.

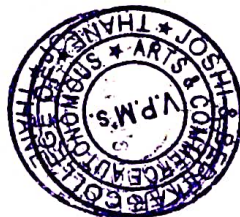

The institute presently undertakes the following activities:

- ✓ Clean campus initiatives
- ✓ Tree Plantation Initiatives and Maintaining of Landscape
- ✓ Restricted Entry of Vehicles
- ✓ Smoke Free Campus.
- ✓ Waste Management Practice
- ✓ Paper Recycling
- ✓ E-Waste and Plastic Waste Collection Drive and Management
- ✓ Installation of Bird feeders
- ✓ Minimal usage of Plastic
- ✓ Conduct of Awareness initiatives and environment-centric programmes

Futuristic Goals

- ✓ Installation of Energy efficiency equipment
- ✓ Conduct an Annual Green, Environment and Energy Audits.
- ✓ Monitoring at regular intervals
- ✓ Collaboration with relevant institutions.
