“Your own self-realisation is the greatest service you can render the world”

- Shri Ramana Maharshi

Human beings are the supreme creation of God Almighty for one simple reason that they can think. They can empathise. But in this race to live life fully and achieve the impossible, somewhere we all forgot that essential aspect of ‘Being Human’.

This year though, the human world and this rat race was brought to a complete halt by the Covid Pandemic.

‘Work from Home’ and ‘Work for Home’ became the norm of the day.

The Editorial Team of Yuvashilp had started out on an ambitious journey with a target of an early release but amidst all this our voyage too was briefly halted. Yes, only briefly. The day lockdown paved way to unlock we incorporated all possible technologies in our work style to communicate, to reach out, collect and collate all matters for the magazine.

Let me place on record my gratitude to Madam Principal for her continues motivation that kept us going. I need to appreciate and thank everyone in my Team for being the ‘Team’ that worked in the storm, fighting out all odds to bring this ship of Yuvashilp ashore.

Creativity has many expressions and freedom one of them. In this lockdown, with life shut out from the outer world and its many temptations, creativity found an inroad to human mind and attained its freedom.

Yuvashilp not just act as the mirror of the college reflecting all activities and endeavours of this Institute of repute but also is a platform where the students unleash their literary talent. Yuvashilp is our realisation of where we stand in our path towards excellence. And in this path we tread again with the same vigour and integrity to present before you the edition for 2019-20.

Of course, the journey doesn’t end here. The end of every story is the beginning of another.

We march ahead from here, holding closely within us the learning and experience of the turns left behind, with dreams and visions of excellence in our eyes...

Proudly representing the Editorial Team

Asst. Prof. Archana Nair

Student Editorial . . .

Working for & contributing to the creation of the 2019-20 edition of Yuvashilp was an absolute treat & great learning curve. Going through the articles of submissions of not only degree students but also the junior college students was an interesting experience for me. Coming up with the idea of the cover page was a complicated, given its importance, but ultimately an eye-opening experience. I would like to say it for myself & on the behalf of the entire magazine committee, under the guidance of Asst.Prof. Archana Nair, it has been a well & truly exciting journey. She was a treat to work with and we learned a lot about meeting deadlines, not settling for anything less than perfect, and a masterclass on how to guide students in completing a task as important as compiling our college’s annual magazine. The entirety of the team would like to thank her and everyone else that allowed us to be a part of this journey for the academic year 2019-20. We owe to Madam Principal Dr.Suchitra A Naik for always being a motivator and mentor. Her encouraging words have always set the direction for the work we do.

Finally on behalf of my entire team I would like to say that though this journey was indeed an enriching learning experience, this is just the beginning.

A big “Thank You” to everyone who stood by us and I am sure would continue to stand by us!

On behalf of entire Students Team

Saurabh Teli

*Hold on to dreams
For if dreams die
Life is like a
Broken winged bird
That cannot fly
Hold fast to dreams
For when dreams go
Life is barren field
Frozen with snow*

Thank You

NSS Nature Club and Generation Dialogue (Junior College)

Junior College is the stage where the students start facing the outer world. At this stage our committee helps the students to create a bond with this world with a different perspective.

National Service Scheme inculcates the values like Leadership, Social Norms and makes the student to reach and help the weaker parts of the society. In activities like 'Shram Dan' students tried to reach out to the people and tried to help them through the work. Students participated in Street Plays to spread awareness in the society. On 26th June 2019 on Anti Narcotics Day students participated in the awareness camp with Anti Narcotics Bureau.

Nature Club makes the students aware about the current situation of the environment and teaches them to put small steps toward recovering it. In this committee

activities like Planting Trees, helping and showing people how to 'Save Water' were organised. Students participated in the activity of 'Pot Painting and Planting' in which students planted different medicinal plants and explained their importance. A group of Pani Foundation came and explained how to help an area to save the water.

Generation Dialogues makes the students to understand gap between different generations and tries to build the gap through interaction. In this committee we make students interact with different people by giving a visit to Old Age Homes or Orphanage. Through counseling also we try to build up this gap.

Joshi Bedkear College under the aegis of Vidya Prasarak Mandal, an educational institution situated in Thane, has been organizing educational tour of students, parents and teachers to Oxford, Cambridge and London, UK since 2004. This year the educational tour of UK has been organised during 21st to 31st May 2019. out of 29 participants, 2 faculty members and 9 students of Joshi Bedekar College had participated in the same.

Visit to Cambridge University :

The main focus was on the visit to libraries and museums of Cambridge University. Fitzwilliam Museum, Geology Museum, Sedgwick Museum of Earth Sciences are some of the museums the students had visited. Each of these museums are maintained by the various departments of Cambridge University. Through this, the students are groomed as a researcher. The visit to Trinity College had been a great learning experience to the teachers and students alike. It is one of the reputed colleges in Cambridge University which has produced students and teachers like Newton, Shrinivas Ramanujan and Amartya Sen. Interaction with Dr. Krishna Sharma, one of the research scholars of Trinity college, had been a great learning experience. The students had been thrilled and privileged to walk on the corridor on which great scientists like Newton, Ramanujan had walked. The colleges in both the Cambridge and Oxford Universities follow a common pattern, that is, It has a chapel, a library, dining hall and hostel. The attention has been given that the students will stay together, study together and pray together. It is no surprise that the Trinity College has 33 Noble prize award winners that is considered as highest record of any college in UK.

Visit to Oxford University

The students had been taken to Oxford University as the second part of study tour. The stay had been arranged in Youth Hostel. Oxford needs no explanation in the academics. It has created a benchmark of its own in the global fraternity. A visit to the Somerville College had been arranged to have an interaction with the teaching staff and students. Somerville is the only college that has admitted female students in the history of Oxford University. Great luminaries like, Margaret Thatcher, Indira Gandhi, Cornelia Sorabji had studied here. The students and teachers had been highly benefited by a special lecture entitled “ Reading Mill: The Subjection of Women through Changing Lens” delivered by Anne Phillips from London School of Economics. The lecture sensitized students towards the great utilitarian philosopher John Stuart Mill and his stand on the empowerment of women. Listening to an altogether new topic for an hour in British accent has been a great

experience. The students had been briefed by Sara Kalim who is looking after Oxford India Center which promotes the cultural exchange between Oxford University and Indian universities. Students had been briefed about the scholarship programs that are available to study at Somerville.

A visit to some of the remarkable museums and libraries of Oxford University has been an enriching experience. Ashmolean Museum, History of Science Museum, Pitts River Museum, Weston Library, Bodleian Library and Oxford Botanical Garden are some of the crucial destinations that gave immense academic insights to the students and teachers. The exhibition entitled “ Babel’ , at Weston Library, Oxford, which was focused on different languages of the world has been a great epitome of systematic display of cultural and linguistic artifacts. A tour of Oxford Street has been organized. Balliol College, All Soul College, New College, Radcliffe Camera, Sheldonian Theater, Indian Institute, Corpus Christi College are some of the important colleges the students had witness.

Visit to Greenwich Observatory and National Maritime Museum

British people had been great navigators. They explored the world by using boats and maps. It was essential to them to know the time while traveling for months together in a ship. To meet this purpose, a scientific inquiry has been initiated to fix the meridian of the planet earth. The Kings appointed an astronomer for this post and titled as “ The Astronomer Royal”. Greenwich Observatory is such a place where the meridian divides this earth in two hemispheres. A well equipped museum of early watches to modern digital watches had been systematically maintained. Students learned a great deal of information about the Greenwich Mean Time popularly known as GMT.

The Visit to the National Maritime Museum, which is situated in the same premises, has been organized. The effort has been made to showcase the rich maritime culture of Britishers to the public. An exhibitions on the great war fought by great French General Neapolian and British General Nelson at Trafalgar has been a great learning experience. An exhibition on “Rise of East Indian Company” has been maintained on the second floor. It covers the span of the rule of East Indian Company and implications of its rule to the history of India and Europe. Rare artifacts with a lot of documentary evidences had been exhibited so picturesquely that students could learn the history of British rule in India in an hour. Students had also learned to juxtapose information with photos and artifacts to prepare a well documented exhibition. There is a considerable scope in India to have these kind of exhibitions.

Places of Indian Importance

A tour of places of Indian importance has been arranged. It is needless to say that there are many places in London that possess crucial importance as far as Indian history is concerned.

The group visited the India House where Veer Savarkar stayed during his study of Law. Other important places were : Caxton Hall, the house of Pandit Shyamji Krishna Verma, The place where Lokmanya Tilak stayed for a short period in London.

Charles Darwin's House :

The contribution of Charles Darwin is crucial in the field of geology and anthropology. His idea of 'natural selection' has been a watershed movement in the history of mankind. A museum has been maintained at his house to showcase his observations on evolution of mankind from monkey to man.

Visit to British Library :

Visit to Kyoto: Kyoto Sangyo University and Buddhist Shrines

On 20 November, 2019, The group visited three important temples i.e. Kinkakuji, To-ji and Fushimi Inari shrine. These are the landmark historical shrines of Kyoto. Kyoto was capital of Japan for many years and retains its historic significance till today. The first place that we visited today was Kinkakuji Temple, a Zen Buddhist temple and world heritage site declared by UNESCO. Kinkakuji literally means the golden pavillion. This temple is a hall which contains relics of Lord Buddha. The garden and buildings, centered on the golden pavillion, were said to represent the

pure land of Buddha in the world. The second place the group visited was Toji temple. Toji Temple (Toji, literally "East Temple", was founded at the beginning of the Heian Period just after the capital was moved to Kyoto in the late 700s. The large temple, together with its now defunct sister temple Saiji ("West Temple"), flanked the south entrance to the city and served as the capital's guardian temples. Toji Temple is one of Kyoto's many UNESCO world heritage sites. The third place of our visit was Fushimi Inari Shrine. Fushimi Inari Taisha) is an important Shinto shrine in southern Kyoto. It is famous for its thousands of vermilion torii gates, which straddle a network of trails behind its main buildings. The trails lead into the wooded forest of the sacred Mount Inari, which stands at 233 meters and belongs to the shrine grounds.

On 21 November 2019, Dr. Vijay Bedekar had a formal meeting with Shri Terumasa Ohshiro, President (Vice Chancellor) of Kyoto Sangyo University. It has been decided to continue and strengthen these exchange programs. Prof. Yano, Prof. Shiga and Dr. Agarkar participated in this interaction. It was a thrilling experience to travel by water bus. It was told that the course of water has been changed and another man-made River is created for inland travel. The Osaka Castle is one of the monumental buildings of Japan. It has a great history. The building near to castle is Osaka History museum. It houses the permanent exhibition of the history of Osaka since 5th century. The group had been accompanied by Prof. Miyagawa and Japanese students Saori, Yumi and a few more.

On 25 November, 2019, The group visited Osaka University, Japan. The visit started with a stroll through the Mino campus of the university which houses the foreign languages departments of more than 24 languages across the globe. After taking lunch, The group had been welcomed by Dr. Vedprakash Singh and Dr. Tamio Mizokami who teach Hindi at Osaka University.

There were two enrichment lectures. The first lecture had been given by Dr. Ved Prakash Singh who is specially appointed lecturer at Osaka University. He delivered a lecture on "India Japan Relationship with special reference to Nichidatsu Fujii. Nichidatsu Fujii was a Japanese Buddhist monk, and founder of the Nipponzan-MyM'hM'ji order of Buddhism. He is best known worldwide for his decision in 1947 to begin constructing Peace Pagodas in many locations around the world as shrines to world peace. He also highlighted the reference of Mahatma Gandhi's "Three wise monkeys", representing the principle "see no evil, hear no evil, speak no evil". The concept of the three monkeys originated from a simple play on words. The saying in Japanese is mizaru, kikazaru, iwazaru "see

not, hear not, speak not”, It is said that Gandhiji was influenced by this idea and the pictorial depiction of these monkeys can be seen in a Shinto shrine in Japan.

Another lecture was delivered by Padmashree Dr. Tamio Mizokami on the topic “Historical and Cultural Perspectives of Indo Japan Relationship”. His lecture was a power packed dose of highly refined insights that covered the history of Japan from 5th century BC. He highlighted the contribution of Buddhism and Sanskrit language on the intellectual pursuits of Japan. He made us listen to the film clip of “Netaji Subhas Chandra Bose: The Forgotten Hero” which is a 2004 Indian epic biographical war film, written and directed by Shyam Benegal. He spoke about

the Japanese relation of Bose. He also enumerated the contribution of Nehru, Manmohan Singh, Atal Bihari Vajpayee and Narendra Modi towards the strengthening ties with Japan. Dr. Bedekar gave concluding remarks and thanked Dr. Mizokami for such a wonderful academic feast. It was a memorable experience for all the students.

This Cultural visit to Japan turned out to be an effective platform to sensitize Indian students towards Japanese language and culture and a potent step to strengthen the cultural ties with India and Japan.

जीवन

प्रविण सिताराम शिंदे

११ वी, कॉमर्स

जीवन हे पाण्यासारखे असते. जीवनाला जिथे वाट मिळेल तिथे ते जाते, पण त्या जीवनाला योग्य तो वेग आणि संयम हवा असतो. जीवनात खूप वेळ झोपेत, प्रवासात, इतर गोष्टीत निघून जातो. उरलेल्या आयुष्यात कोणत्या गोष्टी साध्य करायच्या आहेत, याच एक नियोजन करणे महत्त्वाचे असते. जीवनात जगणे महत्त्वाचे नसते, कारण जगतात तर प्राणी देखील असे जगावे की दुसऱ्यांना त्याचा हेवा वाटला पाहिजे जगण्याच सार्थक झाले पाहिजे, “मरावे परी किर्ती रुपे उरावे”. जीवनात काय साध्य करायचं हे कळले पाहिजे. जीवनात खूप चढ-उतार येतात, त्यांना पार करून जीवन सार्थक रायचं असत. जीवन घडवायला खूप वेळ लागतो, पण ते बिघडायलाही फार काळ लागत नाही.

जीवन, जीवन म्हणजे काय असते? जीवन जगत असताना विविध भावना मनात येत असतात. लोभ, काम, वासना, क्रोध पण यांचा वापर जीवनात चांगल्या प्रकारे केला पाहिजे. त्यांचा

अतिरेक झाला की, जीवन अधोगतीला कधी जाईल हे आपल्यालाही कळत नाही. त्यासाठी झाडाचा आदर्श घेतला पाहिजे म्हणजेच निःस्वार्थपणे जगले पाहिजे. तरुणपणी जीवनात जी वागणूक आपण दुसऱ्यांना देऊ तीच वागणूक वृद्धपणी आपल्याला मिळते. जीवनात प्रत्येक गोष्टीचा आनंद घेतला पाहिजे, कधीतरी मनसोक्त नाचल पाहिजे, आपले छंद जोपासले पाहिजेत. निसर्गाच्या अद्भूत सौंदर्याला भुललं पाहिजे. त्याच्यात रमल पाहिजे, रोजच्या धावपळीच्या जीवनातून थोडा वेळ आपल्या स्वतःसाठी काढला पाहिजे. जीवन हे पैशाने नव्हे, तर समाधानाने प्रफुल्लित झालं पाहिजे, जीवनाच्या शेवटी शेवटच्या क्षणी लोक हळहळले पाहिजेत, असे जगावे. जीवन सुंदर असावे, कष्ट तर असतातच की, कारण निर्मळ व सुंदर दिसण्यासाठी धबधब्यालाही उंचावरून पडावे लागते. हा जीवनाचा अर्थ आहे.

स्वप्नातला चेहरा

आज अचानक मी भेटले त्याला
पाहिल नव्हते आयुष्यात कधी मी ज्याला
पण त्याला बघताच तो आपलासा वाटला
हो, माझ्या स्वप्नातला चेहरा आज मला दिसला...
क्षणभर पाहतचं राहिले मी त्याला
काही समजलंच नाही जणू मला
दुसऱ्याच क्षणी तो आपलासा वाटणारा गायब झाला
तेव्हा मला समजले कि हो माझ्या स्वप्नातला चेहराच मला दिसला...
जाग आली जेव्हा तेव्हा त्याची आठवण होती मनात
हो, माझ्या मनातला चेहरा दिसला होता मला स्वप्नात...

संवाद कौशल्य

दिया साईनाथ भोईर

१२ वी, वाणिज्य

वाद नको
संवाद हवा,
शब्द सुमने
जपुनी ठेवा,
अमृतवाणी होईल मग ती,
विचाराना बळ येईल जेव्हा!

बोलणाऱ्याला अपेक्षित असलेली माहिती ऐकणाऱ्यापर्यंत पोहचविण्यासाठी बोलणाऱ्या व्यक्तीजवळ संवाद कौशल्याची गरज असते. बोलणाऱ्याजवळ ही कला नसेल तर बोलणाऱ्याला अपेक्षित असलेली माहिती ऐकणारा ऐकतो खरा, पण त्याच्या योग्य अर्थ त्याच्या पर्यंत पोहचत नाही. यामुळे गैरसमज निर्माण होऊ शकतात. मानव हा एक समाजप्रिय प्राणी आहे. असं मानसशास्त्रज्ञ म्हणतात. कुणी एकांत प्रिय असला तरी तो बारा महिने चोवीस तास तसा राहू शकणार नाही. त्याच्या या वृत्तीमुळे कदाचित कुटुंबव्यवस्था तयार झाली असावी. कुणाशी तरी बोलावं आपले विचार सांगावे ही आंतरिक गरज प्रत्येक मानवी जीवनमुल्यांमध्ये असते.

खरं तर संवादाच्या व्याख्यामध्ये चेहऱ्यावरचे हावभाव, खुणा, बोललेली भाषा, देहबोली यांच्या माध्यमातून माहितीची देवाण-घेवाण असं समिलित असते. संवादामध्ये एक व्यक्ती बोलणारी व एक ऐकणारी अशा किमान दोघांची गरज असते. बोलणाऱ्या व्यक्तीनं बोललेले शब्द, ह्यांच्या चेहऱ्यावरचे भाव, त्यातील भावना हे कान व डोळे यांच्या माध्यमातून मेंदूपर्यंत पोहचवले जातात. या सगळ्या गोष्टीच्या समन्वयातून व ऐकणाऱ्याच्या आकलनक्षमतेनुसार ऐकणाऱ्याचा मेंदू अर्थ लावतो. बोलणाऱ्याची व ऐकणाऱ्याची भाषा, अनुभव, मानसिक आकलन, भावनिक संतुलन यांवर ऐकलेल्या शब्दांच आकलन होत असतं.

जो उत्तम वक्ता असतो तो त्याला अपेक्षित असलेला संदेश सगळ्या श्रोत्यांपर्यंत तंतोतंत पोहचविण्यात यशस्वी होत असतो. त्यांनी सांगितलेल्या विनोदाला श्रोते हसून दाद देतात. उदाहरणार्थ आपल्या परिचयात असलेले आदेश बांदेकर व निलेश साबळे. एखादा विचार आवडला तर टाळ्या वाजवून प्रतिक्रिया देतात. अपेक्षित क्षणी बोललेल्या भाष्याला अपेक्षित

प्रतिसाद मिळत ही संवाद कौशल्याची पावती असते. चांगला वक्ता अशा वेळी आपलं बोलण योग्य वेळी थांबवतो व त्यावेळी अपेक्षित असलेला प्रतिसाद हशा किंवा टाळ्या या स्वरूपात मिळतो.

व्याख्यात्यांचा कौशल्याचा वापर एक वेळी अनेक श्रोत्यांसाठी असतो. रोजच्या व्यवहारामध्ये घरी, नातेवाईकांमध्ये, कार्यालयामध्ये, शाळा-कॉलेजेसमध्ये, डॉक्टरांच्या दवाखान्यात या संवाद कौशल्याचा उपयोग होत असतो. संवाद कौशल्य असेल तर माणसं भावनिकरित्या जोडली जातात. एखादा व्यावसायिक एखादा डॉक्टर, एखादा विक्रेता यशस्वी होण्यामागे त्यांच्यातील संवाद कौशल्याचा मोलाचा वाटा असतो.

लोकांचे मन आणि हृदय जिंकायचे असेल तर संवाद साधणे गरजेचे आहे. उदाहरणार्थ डॉ. प्रकाश आमटे यांनी प्राप्त परिस्थितीमध्ये तेथील आदिवासी आणि इतर लोकांना समजून घेतले त्यांच्या भावना जाणून घेतल्या हे संवादातून शक्य झाले.

संवाद कौशल्य हे जन्मजात नसतं. अनुवंशिकरित्याही मिळत नसत, त्यासाठी घरचं पोषक वातावरण, शाळा-कौलेजातील शिक्षकांच मार्गदर्शन, संबंधित व्यक्तीचं वाचन, भाषेवरील प्रभुत्व त्यांच आत्मभान, आत्मविश्वास, सहसंवेदना ही जीवन कौशल्ये या सगळ्या घटकांच योगदान असतं.

संवाद ही व्यस्त होण्याची पहिली पायरी आहे. हाच तुमचा संवाद हृदय संवादात कधी परिवर्तित होईल हे कुणीही सांगू शकणार नाही. संवाद म्हणजे स्व-कष्टाने विकसित करण्याची कला आहे. विशेष म्हणजे ती साध्य करण्यासाठी वयाची, जातीची, धर्माची अट नसते. फक्त हवी ती माणसाची मनापासून तयारी. या कौशल्यामधून माणसातील माणूस टिकवायचे सामर्थ्य त्यांच्यातील आत्मविश्वास, भीड चेपणे यासारख्या गोष्टी एखाद्या उत्कृष्ट संवाद साधणारा प्राप्त झाला तर संवाद घडून येऊ शकते.

संवाद कौशल्यामध्ये चेहऱ्यावरचे हाव, भाव, आपल्या बोलण्याची गती, चढ-उतार, परिस्थिती नुसार गांभिर्य, उल्हास, विनोद हे आपल्या संवाद कौशल्यामध्ये आले पाहिजे. ह्या सर्व

बाबी आपल्यामध्ये असल्या तरी ही संवादातील महत्त्वपूर्ण घटक म्हणजे शब्द आहेत. चांगल्या, वजनदार, हलक्या फुलक्या शब्दांनीच संवाद कौशल्याची क्षमता वाढते आणि म्हणूनच शब्द हे संवाद कौशल्यातील महत्त्वपूर्ण घटक आहेत म्हणून संत तुकाराम महाराजांनी एका अभंगात म्हटले आहे,

आम्हा घरी धन शब्दांचीच रत्ने। शब्दांचीच शस्त्रे यत्न करं।।
शब्द चि आमुच्या जीवांचे जीवन। शब्दे वाटु धन जनलोका।।
तुका म्हणे पहा शब्द चि हा देव। शब्द चि गौरवत पुजा करु।।

वृद्धाश्रम काळाची गरज

प्रियंका गोकुळ वाकोडे

१२ वी, वाणिज्य

“आई वडिलांसाठी कोणतीही गोष्ट सोडा, परंतु कोणत्याही गोष्टीसाठी आई वडिलांना सोडू नका.”

“आई तूच आहे जिने घडवले आम्हा कधी रागवून तर कधी प्रेम करून जपले मला तू फुलाच्या कळीसारखं”

स्वतः काट्याच्या वाटेवरी उभं राहून बाबा तूच आहे ज्याने दाखवली वाट जीवनाची, सोसून दुःखाच्या झळा सदैव तत्पर राहिला तू स्वतःच्या इच्छेला तर केव्हाच मारले तू, लेकरांच्या इच्छेसाठी दिवसरात्र झटलास तू याच लेकरांना रक्ताचं पाणी करून वाढवलं, पण दिला त्यांनी दगा तुला म्हातारपणी नाही सांभाळू शकत मी तुम्हाला म्हणून. घेतला एक टोकाचा निर्णय ज्यांनी केले मनाचे असंख्य तुकडे, नेऊन सांडलस रे बाळ आम्हाला तू न सांगता, न विचारता, काय गुन्हा केला आम्ही तुला सांभाळून एकदा सांगशील का आम्हाला, नाही सहन होत रे हा एकटेपणा. आता वाट बघतात हे आसुरलेले डोळे आमचे, माफ कर आमहाला नि घेऊन चल इथून वृद्धाश्रमाची वाट दाखवून का परकं केलंस आम्हाला तू?

काळ बदलला आणि त्याचबरोबर बदलली संस्कृती, परंपरा आणि नातीही. परंतु या सगळ्या गोष्टीचा विचार केला असतो एक गोष्ट अजूनही तग धरून आहे आणि ती म्हणजे आई-वडिलांचं प्रेम. आपल्या जन्मापासून ते मृत्यूपर्यंत आपला विचार करणारी येताना असंख्य यातना सहन करून आई जन्म देते, तर आयुष्यभर कठीण प्रसंगांना तोंड देऊन बाबा आपलं पालनपोषण करतात.

“आयुष्यातील सर्वात मोठे यश म्हणजे... आपल्यामुळे आई-वडिलांच्या चेहऱ्यावर असणारा आनंद आणि समाधान.”

बाळ जन्मल्यानंतर सगळीकडे वातावरण आनंदी होऊन

जातं. त्याच्या भविष्यासाठी तयारीही सुरु होते. आई स्वतः उपाशी राहून लेकराला घास भरवते, तर दुसरीकडे बाबा लेकरांची इच्छा पूर्ण करण्यात प्राणपणाला लावतो. आपलं बाळ सर्व काही आहे म्हणून ते दोघे जीव ओवाळून टाकतात. त्याच प्रेम स्वार्थी कधीच नसतं. फक्त आपलं लेकरू भविष्यात शिकून मोठं व्हावं, चांगलं नाव कमवावं एवढेच त्यांच्या मनी असतं. मुलं मोठी झाल्यावर स्वतःच्या विश्वात गुंग होतात. आई वडिलांचं समजून सांगणं, त्यांना कटकट वाटू लागते. आजच्या या युगात एक नवीन ट्रेड सुरु झालाय. ज्यांनी आपल्याला लहानाचं मोठं केलं, स्वतःचा विचार न करता निःस्वार्थीपणाने वाढवलं त्यांनाच वृद्धाश्रमात नेऊन टाकलं.

विश्वास न बसण्यासारखी ही गोष्ट आहे. पण आजचं एक सत्य म्हणून ते नावारुपाला येत आहे. आज कोणत्याही वृद्धाश्रमाला भेट द्या. तिथे अनेक वृद्ध आई-बाबा आपली मुलं येण्याची वाट बघत आहे. खोटं कारण सांगून वृद्धाश्रमात आणून सोडणं, अडचण आहे म्हणून त्यांना वृद्धाश्रमात दाखल करणं अशी अनेक कारणे या पाठीमागे आहे. स्वतःला सुशिक्षित म्हणवून घेणारी, चांगली मोठ्या पदावर कार्यरत असणाऱ्या मुलांचे आई-वडिल देखील वृद्धाश्रमात जीवन जगत आहे.

कोणत्या शब्दात सांगू आई-बाबा
तुम्ही माझ्यासाठी काय आहात...?
भुकेल्या जिवाचा मायेचा घर तुम्ही
वेदनेनंतरची माझी पहिली हाक तुम्ही
अन् माझा प्रगाढ विश्वास तुम्ही
हृदयाच्या स्पंदनातील माझा
प्रत्येक श्वास तुम्ही...!
जीवनातील माझ्या सुखाची बाग तुम्ही
अन् शेवटच्या क्षणापर्यंत कुशीतील विसावा तुम्ही!!

स्वतःच्या सुखाचा जराही विचार न करता दुःखाची झळ त्यांनी आपल्या मुलांना लागू दिली नाही. आज मुलांना या सगळ्या कष्टांचा विसर पडला आहे. आपल्या जीवनात अडसर मानणाऱ्या आपल्या वृद्ध आई-वडिलांना त्यांनी सरळ वृद्धाश्रमाची वाट दाखवली आहे. ज्यांनी आपल्याला आयुष्यभर तळहाताच्या फोडाप्रमाणे जपलं त्यांचा म्हातारपणी आपण आधार होऊ शकणार नाही ही खरच लाजिरवाणी आणि विचार करायला भाग पडणारी गोष्ट आहे. आई-वडिल हेच आपलं जग आहे. त्यांचे आपल्या जीवनातील स्थान हे देवरुपी समजलं पाहिजे.

आई-वडिलांमुळेच आज आपण या जगामध्ये आहोत. आपलं हे जीवन त्यांच्यामुळेच आहे. आणि आपण या जीवनाचा उपभोग घेत आहे. हे फक्त आणि फक्त आई-वडिलांमुळे. आई आपल्याला जन्म देताना सहन केलेल्या यातनांमुळे, वडिलांनी आपलं पालन-पोषण करण्यासाठी रात्र-दिवस केलेल्या कष्टांमुळे हे आपण कधीही विसरायला नको. म्हणूनच, तर आपलं जीवन हे नेहमी आई-वडिलांच्या स्वाधीन असलं पाहिजे.

आई-वडिलांची एकच इच्छा असते, की आपण नेहमी आपल्या मुलांबरोबर राहावं, पण शेवटी होतं काय, तर आई-वडिल वृद्ध झाल्यावर मुलं त्यांना वृद्धाश्रमात सोडतात. आई-वडिल हे आपल्या गाडीची दोन चाकं आहेत. यातील एक

जरी ढासळलं तरी आपली गाडी सुखाच्या जीवनरुपी वाटेवर प्रवास करू शकणार नाही. आई-वडिलांच्या प्रेमाच्या छायेत राहून आपण आपल्या जीवनाचा उच्चांक गाठू शकतो. वृद्धाश्रम हे जरी आजचं सत्य असलं तरी यावर आपण मात करू शकतो. गरज आहे ती फक्त या स्वार्थी जगातून बाहेर येऊन त्या थकलेल्या जीवांचा आधार बनण्याची.

आई-वडिल माझे थोर
किती सांगू त्यांचे उपकार!
जीवनाच्या वाटेवरती किती
असतो त्यांचा आधार!
आई माझी मायेचा सागर
दिला तिने जीवनाला आधार।।

“या जगामध्ये कितीही श्रीमंत व्यक्ती असला तरी तो आई-वडिलांशिवाय भिखारीच असतो!”

जरी वृद्धाश्रम ही काळाची गरज असली तरी सुद्धा आपण ती परिस्थिती निर्माण करता कामा नये. मुलांनी आपल्या आई-वडिलांना वृद्धाश्रमात न सोडता त्यांना त्यांच्या बरोबर राहू द्यावे. त्यांची काळजी घ्यावी. आई-वडिलांना वृद्धपणात आसरा द्यावा. हीच काळाची गरज निर्माण व्हायला हवी.

“दुःखाची उत्तम संधी”

शिवानी जितेंद्र तायडे

तृतीय वर्ष, कला

दुःखाच्या केवळ कल्पनेनेच मनाला कापरे भरले, मना व्याकुळ व अस्थस्थ होऊ लागते. अशा स्थितीत दुःखापासून होणाऱ्या यातनांचे काय वर्णन करावे? याच कारणपासून सर्वजण दुःखापासून दूर पळू पाहतात हे सामान्य मनुष्याला नित्य लागू पडते. पण जे सत्यान्वेषी आहेत. साधक आहे त्यांना ही गोष्ट लागू पडत नाही त्यांना दुःखाची ओढ असते. अशी ही स्थिती विरळा लोकांची असते अशी माणसे दुःखापासून दूर पळत नाहीत.

दुःख हे तर परमात्म्याने प्रेरित केलेले त्याने दिलेले उत्कृष्ट क्षण असतात ही भक्तांसाठी सुसंधी असते. दुःखाच्या क्षणी त्यांच्या अंतःचेतनेमध्ये संकल्प जागे होतात मनात साहस उद्भवत संवेदना जागी होते. पुरुषार्थाची प्रखरता व प्रज्ञेची पवित्रता त्यांच्या अंतरंगात जागते. त्यांच्या आत्मचेतनेमध्ये अनुभूतीचे

नवी दालने उघडतात व नवे लाभ प्राप्त होतात. म्हणूनच तपस्वी लोक दुःखाला देवाचा हातोडा मानतात. म्हणून हा हातोडा उन्नतीच्या नव्या सोपानाची उन्नती करित असतो. विकास व सुधारणेची नवी द्वारे उघडीत असतो.

साधू संत भगवंताकडे नेहमी दुःखाचेच वरदान मागत असतात. सुखाची आस न केवळ आळसात, विलासपूर्ण जीवनात रमलेलं लोकच करित असतात. जे सुखात वाढले, गाद्या गिरद्यावर लोळत राहिलो त्यांची चेतना सदैव सुपुत्रीच्या मागणीकडेच वळत असते त्यांच्या जीवनात सुधारणा परिष्कार पावित्र्य यांचे भाग्य कुठले येणार? जे लोक फक्त दुःखात जगत असतात यांनाच हे सौभाग्य लाभत असते.

सोबती - एक आधार

कोमल महेंद्र बाविस्कर
बारावी

आजकाल सगळीकडेच इंटरनेट कॉलेजस पहायला मिळतात, पण जोशी-बेडेकर ज्युनिअर कॉलेजमध्ये मात्र गेल्या अनेक वर्षांपासून 'रेमेडिअल कमिटी' अंतर्गत अभ्यासात मागे असणाऱ्या मुलांसाठी विशेष मार्गदर्शन केले जाते. यातीलच उपक्रम म्हणून प्रा. वैद्य मॅडमच्या संकल्पनेतून विशेष मुलांच्या प्रत्यक्ष भेटी मार्फत विद्यार्थ्यांमध्ये सकारात्मक बदल घडवून आणण्यासाठी 'सोबती' या संस्थेला भेट देण्यात आली. या संस्थेचे नाव ऐकल्यावर एक विचार मनात भिरभिरायला लागतो,

हे घोषवाक्य जणू एक नव्या कल्पनाशक्तीला चालना देऊन जाते. ते असे की, "काहीतरी कमी आहे. पण ती कमतरताच त्यांना इतरांपासून वेगळ बनवण्याची शक्ती देते." आणि हाच अनुभव अनुभवला आहे जोशी-बेडेकर महाविद्यालयाच्या बारावीत शिकणाऱ्या रेमेडिअल्सच्या विद्यार्थ्यांनी ते म्हणतात ना, "तरुण पिढीला छड्यांचा नव्हे तर शब्दांच्या आणि अनुभवांच्या छड्यांचा मार लागतो." तसेच काही रेमेडिअल स्टुडेंट्ससोबत झाले आहे.

जोशी-बेडेकर महाविद्यालयाच्या रेमेडिअल कोचिंगचे एकूण चोपन्न विद्यार्थी व चार प्राचार्य प्रा. वैद्य मॅडम, प्रा. कुसुम यादव मॅडम, प्रा. शकिला मुस्ताक समानी मॅडम, प्रा. स्वप्निल मयेकर यांच्या नियोजनाअंतर्गत ही भेट सफल झाली.

जोशी-बेडेकर महाविद्यालयाच्या रेमेडिअल कोचिंगचे विद्यार्थी व चार प्राध्यापक अशा एकूण छपन्न जणांनी तिलसा रोड, वाडामध्ये स्थित असलेल्या 'सोबती' या स्वयंसेवी संघटनेला दिनांक २१ ऑगस्ट, २०१९ रोजी भेट दिली. सोबती ही एक अशी स्वयंसेवी संस्था आहे, जी शारीरिक व मानसिक रित्या अपंग व झुरत असलेल्या मुलांचा सांभाळ करते. सोबतीच्या संस्थागृहात सध्या बारा मुले आहेत. जी त्यांच्यात असलेल्या कमतरतांमुळे इतर दुनियेशी लढत आहेत. जी त्यांच्यात असलेल्या कमतरतांमुळे इतर दुनियेशी लढत आहेत. पण म्हणतात ना, "देव एक गोष्ट हिरावून घेतल्यावर, त्या मोबदल्यात दोन गोष्टी देतो." असच काही या मुलांच

देखील आहे. शरीर आणि बुद्धीने जरी लढत असले तरी देखील त्यांच्याजवळ त्यांच्या ज्ञानेंद्रियांची शक्ती आहे. त्यांची ज्ञानेंद्रिये इतकी कार्यक्षम आहेत की ते त्यांच्या मदतीने सर्व काही ओळखू शकतात.

जोशी-बेडेकर महाविद्यालयाचे विद्यार्थी त्यांची कार्यक्षमता पाहून एकदम थक्क झाले होते आणि त्यांना असे वाटू लागले होते की, त्यांच्याकडे सर्व असून पण ते त्या मुलांएवढे कार्यक्षम नाही आहेत. सोबती मध्ये स्थित असलेल्या बारा मुलांनी स्वतःच्या हाताने काही वस्तू इतक्या सुंदरप्रकारे बनवलेल्या जणू काही त्या फॅक्टरीच्या साच्यातून निघाल्या असाव्यात. सोबतीमध्ये राहत असलेल्या मुलांनी स्वतःच्या हातांनी आकर्षक मन्यांच्या माळा, मंगळसूत्रे, अगरबत्त्या, राख्या, मुखवास आणि हँडवाश इ. वस्तू बनवल्या होत्या. त्यांच्या या कामगिरीस बघून सर्व विद्यार्थी थक्क राहून गेले.

काही वेळेच्या ओळखीनंतर विद्यार्थ्यांना सोबतीमधील मुलांशी परिचय करवून देण्यात आला. यानंतर विद्यार्थ्यांनी छोटासा सांस्कृतिक कार्यक्रम सादर केला. सोबतीमधील मुलांनीही त्यांना भरपूर प्रतिसाद दिला. सांस्कृतिक कार्यक्रमात गायन व नृत्य ही झाले. थोड्या वेळाने मुलांमध्ये अंताक्षरीचा छान खेळ ही रंगला. सोबतीमधील मुले फार उत्सुकतेने गाणे म्हणण्यास पुढे येत. त्यानंतर त्या बारा मुलांना वेगवेगळ्या प्रकारची औषधी रोप भेटस्वरूपी देण्यात आली जोशी-बेडेकरच्या विद्यार्थ्यांकडून व या भेटीचा शेवट सर्व मुलांनी 'वंदे मातरम्'ने केला.

जोशी-बेडेकरच्या या शैक्षणिक भेटीमुळे सहलीमुळे सर्व विद्यार्थ्यांमध्ये सकारात्मक बदल दिसत होता. त्यांमध्ये एक वेगळाच जोशी आणि एक वेगळीच स्फूर्ती दिसत होती. "काहीतरी करून दाखवण्याची!" त्यांना हे कळले होते की, 'आपणही खूप काही करू शकतो, फक्त आपल्या सर्व वेळेवर भागणाऱ्या गरजांनी आपल्याला आपल्या ध्येयापासून लांब नेले आहे.'

निसर्गाचे रौद्ररूप

‘येरे येरे पावसा’ म्हणत व्हती माझी पोर,
दोन दिवसामदी, पावसाने केलाय कहर,
लावला अमुच्या जीवाला घोर,
जीवापाई सोडावे लागले घर
मोडला सारा उभा केलेला संसार...

निसर्ग कोपला, देवही झोपला
काय खेळ मांडला या देवाने
की कष्टाने उभा केलेला संसार मोडिला पावसाने
वाटले नव्हते कधी हेही पाहावे लागेल
अमुच्या गुन्ह्याची शिक्षा तान्ह्याला भोगावी लागेल

अरे देवा! ऐकतोस का आता
थांबव की चाललेला खेळ आता
नाय पाहू शकत पोराच्या डोळ्यामदी आसव,
दया कर की, मायबापा ही लेक तुझी करते आर्जव
तू फक्त थांबव हा पाण्याचा खेळ
सर्व पाहिल्यावर जीवाची व्हतया घाळमेळ...

त्या व्हीरतून आलेले, ते कुणाच तरी पोर
बोलला मज माय हात धर
उचल ते पाऊलं अन् चढ व्हीर वर
झेल अंगावरती पावसाची सर
नको सोडू या संकटामोह धीर
त्याचे हे शब्द व्हते मोलाचे खरोखर

धीर देते लेकराला, पण स्वतःच नी खचली आहे,
पण तरीही सावरुन लढणारी, मीच ती स्त्री आहे,
मीच ती स्त्री आहे...

Air Pollution : Beat it or Beat it!

Gayatri Dhamankar
TYBFM

My heartbeat with excitement; reminiscing the beautiful memories, as my native village drew closer. It was almost two years since I had been here. I had a faint memory of my grandma's place and its surroundings reminded me of the fairy tales that I read.

Suddenly, my eyes caught a disturbing sight of a forest fire from the train window and I decided to inquire about it later on but forgot as soon as we got down, exchanging pleasantries and greeting each other. The family had arranged a small get-together on occasion of my grandfather's birthday.

The weekend passed by in a blur of merriment and before long it was time to go back to our monotonous lives. We boarded the train and soon enough saw the village houses and trees rolling past us in a haze. It was then, out in the distance on open fields that reality caught up with me again and I saw factories releasing huge clouds of black smoke through their chimneys, into the clear, sunlit sky. The sight was very unsettling and thought-provoking. On the whole journey back home, I sat gaunt-faced, staring glumly out of the train's window, whilst my family dozed off carelessly.

Back home, I just couldn't stop thinking about all the pollution around me. I kept on envisioning the amount of CO₂ and carbon monoxide these factories might be delivered into the environment. My mind kept wandering back to those thick, black plumes of smoke, blending in with blue skies around. The only relief was that I hadn't seen any more forest fires since.

The pollution reminds me of the 2008 film 'WALL-E'. The film portrays how we humans are responsible for our planet's destruction leading to our own demise. Earth is the only planet in our solar system which supports life, having a liveable atmosphere and breathable air but we are turning it into a toxic gas chamber. We are being ungrateful and taking everything for granted. If we keep going

at this pace then it won't be long before we will have to wear masks to filter out the air that we breathe.

My title 'Beat it or Beat it!' might sound a bit unreasonable or not appropriate but environmentalists will agree with it because of the natural instinct of us humans, when presented with a problem, is to quickly find a solution for it. However, only finding a quick solution might give us a wrong solution and therefore, the problem won't go away completely. We need to destroy the problem from its roots. Take, for example, we have to combat air pollution. What are our solutions? Making gas/oxygen masks. But, is this really going to help us in the long run? No. Instead, we need to find ways to prevent and reduce air pollution. If we don't change our approach to finding solutions soon then nothing can save us from the end that we're calling upon ourselves.

We continue our efforts to make barren, uninhabitable bodies like the Moon and Mars habitable. This doesn't mean that we must stop our scientific endeavours. However, we must grasp the deep reality that we are facing due to the high toxicity levels caused by air pollution – a completely manmade phenomenon. This is what's exactly depicted in the film WALL-E; a film that came out in 2008 but it's 2020 and here we are, still polluting the air and everything else we can get our hands-on. Rather than thinking about how we can make the Martian air breathable; shouldn't we be concentrating on making our home planet's air more breathable.

As I had mentioned earlier, I was revelling in the fact that forest fires had been absent but all that was about to change because two days later, all the newspapers were littered with the shocking news of the Amazon rainforest being engulfed in rapidly accelerating flames. The "Lungs of the Earth" were on fire. I was devastated by this news as it was leading to deforestation, destruction of flora and fauna and wastage of natural resources. Worst of all, it was causing immense amounts of air pollution.

I may not be able to do anything major about the Amazon fires but I'm an ardent environmentalist and sitting here in India, I've found that I can play my part in saving the environment by reducing my carbon footprint and combating air pollution. My endeavours include consuming local and seasonal foods to reduce CO2 emissions, reduce the use of deodorants and AC which contain CFCs that cause depletion of the ozone layer and planting as many

trees as possible – something I've learned from Jadav Payeng, known as the "Forest Man of India" who single-handedly created a humungous and lush forest on a once barren land in Assam.

I'll do this from my side of the world and if every person follows suit, I guarantee that not a nook and cranny of the Earth will be left unprotected from our arch enemy i.e. Air Pollution!

Destiny

Khadeeja Kudalkar

F.Y.B.A.

Days leading to India's partition were nearing and there was a different tension in the air. Everyone in India was worried about their fate. Nobody wanted to have their precious land. Even in the family of Riyansh and Suchit, there were clouds of unhappiness.

The two brothers, however, were not old enough to comprehend the gravity of the tension. Even through all of this, they were just two balls of happiness who played with their friends all day long in the veranda of their house. They were the apples of everyone's eyes. Even their neighbours, who were at a much larger risk because of their religion, adored them. Their bond reminded everyone of the innocence in unity, despite of their entire country being on the verge of a partition. Slowly, as days passed by, little did they know that their happy days were numbered. One day, Riyansh asked his mother about the chaos "Mama, why is everyone so tensed?" she replied "even if we did something to undo all of this chaos, it won't go away so easily. We just have to bear with it." Not a soul was prepared for 'that' day. It was as if all hope was lost. Everyone in the family was looking up to the two brothers who, despite their age, displayed maturity. Prior to the 'D-day', there were lots of riots and protests happening. One day, Suchit told his elder brother "Dada, all people need is love, hope and unity." Riyansh felt as if his brother had suddenly grown up. It was as if the two were trying to comprehend the situation.

The night of 14th August arrived and what everyone feared had turned into reality. The British government decided to make a last-minute announcement stating "All those who wish to be a part of Pakistan are hereby told to leave India." All of a sudden, leaving all of these relations, things and memories behind started feeling like dying a slow death. The fate of this country, which was hanging on by a thread, finally snapped. This monster named 'partition' did not even spare the Singh family and their neighbours. Riyansh, Suchit, their mom, dad and both their little sisters, who were barely old enough to even talk, were scared for their lives. The biggest fear was their religion. While their father's side of the family was Hindu, the mother's side of their family was Muslim. This resulted in the unfortunate separation of the Singh family. Their father, along with Suchit and one of their sisters, stayed in India while the rest of the family left for Pakistan. That night was straight out of a horror story as they realized that this was the last time they were seeing each other.

Sometimes, life makes weirdly surprising plans for us. The Singh family was a prime example of this as well. Seventeen years passed after that one dreadful night. The brothers were now dashing, smart and handsome young men. Both of these brothers had studied hard as they grew up and as fate would have it, had secured seats at the Cambridge university. Consequently, Suchit, with his younger sister and father moved to London and so did Riyansh's family.

Even though the brothers had separated seventeen years ago, fate had it so that they landed in London on the same day. Upon arrival, Suchit saw his mother going through the airport with his brother and their sister. For a brief moment, he thought he was seeing things because of exhaustion. He could not believe that a reunion was possible after so many years of being apart. As soon as he got his grip around the fact that it was his family and not just a dream, he ran up to them and called out his brother's name. Even Riyansh was dumbfounded upon realising what he was hearing and seeing. His happiness burst out like a balloon. "Suchit! It is you! It is really you!" he

exclaimed, "My brother has all grown up!" Tears of joy and happiness were shed by the entire family upon this reunion. Especially considering this was happening seventeen years after their separation!

Even though destiny had separated this family years ago, their bond had forced even destiny to change its ways. The British did succeed in breaking a country apart, but they could never have broken the bond of family in the people. Even though Suchit and Riyansh's story began at a harsh and sad point of separation, it ended with reunion,, happiness and love.

Impact of Modernisation on the Environment

Namita Punekar

T.Y.B.Com

The Google dictionary defines 'modernization' as the process of adapting something to modern needs or habits. In a developing economy such as ours, modernization is necessary. Without modernization, the economy will not grow. Advancement in technology is the leading cause of modernization. However, the technologies in the process may not always be energy efficient and may impact our environment adversely.

Modernization & urbanization go hand-in-hand. In that, urbanization may be focused on developing new infrastructure. Projects such as constructing new buildings and bridges, developing efficient transit systems, etc. call for acquisition of a huge part of land. Naturally, to assist the completion of these projects, the authorities generally grant permissions very easily to chop off trees and encroach green patches in the city. The result is tragic; an enormous amount of deforestation takes place. A few more trees will be chopped and a few more birds will lose their abode as I write this essay.

Deforestation not only affects us human beings, but also, seize away the homes of animals and birds with whom we share our planet. A paper published in PNA states that "unsustainable urbanization will have disastrous effects on global ecosystems. The

areas of Asia, Africa and South America that are rapidly growing will overlap with biodiversity hotspots. The aftermath? The demise of 139 amphibian species, 41 mammalian species and 25 bird species, all of which are endangered due to just one reason, urban expansion.

Deforestation also leads to global warming that is already responsible for depletion of ozone layer, melting of the icebergs, increasing temperatures and the list goes on. Modernization is a leading cause of deforestation and consequently responsible for disturbing our natural season cycle. Other factors such as pollution, land encroachment, uncontrolled waste generation continue to contribute to degradation of the environment. These are all in some way, results of modernization. The harmful emissions from industries contaminate the air and the effluents from industries pollute the water bodies thereby affecting the aquatic and marine life.

It is true that modernization is bringing the world closer but at the same time, it is also affecting our environment in a negative and unfavorable manner. We all must follow the principle:

"Modernize without Compromise"

Moonlight Conversations

*I love the nights when the
moonlight sends me silent invitations.
I love the nights when there is me,
the moon and long conversations.*

*Without any judgements, it just listens
When I talk about oceans and lands.
Sometimes, there's mere silence worth
sharing on both the ends.*

*Then, there are the nights
when it is not whole,
yet it is still there and
the fact soothes my soul.*

*Sometimes, the river holds the mirrors,
It shows what a beauty it is.
And it hides behind the clouds,
Not to give away its blush and bliss.*

*Sometimes I hear it whispers,
I hear it whine
Coz the blurry sky doesn't let it shine
But then, it glows brighter than it has ever had
And that shows that there is some good even in
some bad.*

*In the moonlight, with the moon
I share my delights and my regrets
The sun might witness my actions
But the moon, it's the moon that holds my secrets.*

Secularism in Teaching Profession

Prem Sajjan
SY.JC Commerce

India has chosen to build itself into a democratic and secular society in which different communities and groups can flourish side by side. In goodwill and confidence, different social and cultural traditions might be able to make the best of their abilities for personal fulfilment and social progress. It can only happen through secularism which develops the healthy values amongst the citizens and raises the standard of living of an individual.

The principle of secularism and democracy have vital importance looking at the present Indian scenario. The recent incidents of terrorist attacks, bomb blasts, religious conflicts have made it compulsory to look back and find the roots on which our constitution was written. Constitution of India is based on principles of justice, equality, liberty and fraternity. All these principles can be truly attained if the teachers mould the tender hearts and minds of the children and themselves believe in these thoughts and include the same among the young minds.

If the teachers themselves don't believe in secularism then we can expect them to imbibe the

same in the next generation. Teachers play an important role in building a secular nation. Everyone on the planet has a teacher as his/her role model because of his/her thoughts, deeds, behaviour etc which influences the human. If a teacher is engrained in deal of communalism, then there are chances for the society for not being developed. A teacher is not only as an instructor but also a leader, social reformer. A teacher is the representative of the society which means he/she is expected to uphold the traditions, norms, values of the society that will lead the nation towards the path in which our constitution was based.

Teaching is the part of profession and also a responsibility to frame such a society where everybody is equal and everything is equal for everyone. In such a secular country, people from different caste, group, sex have right to follow what they want, but the job of a teacher is to make them understand that Humanity is above every religion and caste.

Language – An Eternal Gift

Saurabh Teli

SYBMM – Eng.

What do you think of when someone mentions the term ‘technological breakthrough’? Well, you’d be forgiven for imagining it to be the ability to control fire, the first printing press, the invention of the steam engine or even the introduction of the internet. While these elements are an integral part of who we are and why we are the way we are today, I feel the emergence of language is the greatest technological breakthrough we have had in our 8,00,000 years of existence on this planet as Homo Sapiens. The things we do on a daily basis, the idle conversations, the scientific debates, the endless trade, the unending gossip, the beautiful literature and the spread and persistence of our heritage; these are the things we achieve through communication and we are lucky to have tools that help us do it in such a complex and meaningful way.

It is really difficult to define what language is without missing out on one aspect or another. Well, let’s do something we often do these days to find it out i.e. ask the internet.

“The method of human communication, either spoken or written, consisting of the use of words in a structured and conventional way.”

That is a fairly satisfactory definition of language but does it encompass every little nook and cranny the concept has to offer? Probably not. It is a complicated aspect of human life that is connected to our social, cultural and psychological needs. We also need to remember that while language is a means of connection, it is also a means of preventing communication. We often switch to a different language to prevent someone else from listening in. There are always two sides to a coin.

Origins and evolution

It is a hotly debated topic between linguists, biologists, and archaeologists as to how and when languages came to be. Some say, it happened because of a mutation in the brain of an ancestor of

ours 90,000 years ago. Others say it was more of a gradual thing that took thousands if not hundreds of thousands of years to evolve into what we are familiar with today. However, the one thing they do agree on is our current forms, types, and families of language came about only a few thousand years ago.

Our earliest ancestors i.e. the great apes walked on four legs and had basic hand gestures for example – grabbing onto a tree branch, pointing out to a certain part of the body that needs scratching by another member of the pack, etc. These gestures were so basic because their “hands” were engaged in helping them get around. That being said, it was a means of communication, which makes it a language, in theory. The freeing of hands occurred around 2 million years ago when we became fully bipedal i.e. to be able to walk on two legs. This increased our ancestors’ ability to have more complex hand and facial gestures which allowed them to have more detailed “conversations”. Gradually, these physical gestures slowly became concentrated in one part of our body – the mouth. We started “speaking”, a means of communication far easier and convenient than waving your hands around. This was the beginning of the journey that led us to modern languages.

Spread

The Bible says God gave humans language but when the humans built the Tower of Babel to get closer to him, he destroyed the tower, thus scattering them to different parts of the world where the same language evolved into different, unintelligible forms.

That is a powerful, captivating story but how languages actually spread? Our ancestors walked out of Africa around 90,000 years ago before settling into different parts of the world, evolving their language, their customs, their cultures and themselves. In the past 500 years, the spread of language has been down to increase in trade, exchange of information and sadly but surely, through colonialism.

The evolution and spread of humans and language can be so drastic that a person from China looks nothing like someone from Britain and their languages too are completely indecipherable to each other. That being said, believe it or not, most of the world's major languages belong to the same families; languages so diverse that one wouldn't even begin to guess. A language family is a group of languages that have a common ancestral language or a point of origin. What do the languages English, Hindi, and Russian have in common? They belong to the same family; the largest one, in fact, i.e. The Indo-European languages. Yes! These languages amongst others like Sanskrit, Greek, Latin, Iranian, German, Italian even Lithuanian originated from the same language spoken almost 6000 years ago. Have you ever wondered why some words sound so similar in English and Indian languages? For example – 'mother' and 'mata', 'cow' and 'gau', 'sarpa' and 'serpent' among others. Well, now you know. Any language you can think of that is spoken widely in Europe, South-Asia, North America, South America and Australia, there is a good chance It belongs to the Indo-European language family.

Did you know?

The languages from the Indo-European language families are spoken natively by over 3.2 billion people around the world; a full 40% of the world's total population.

Similarly, have you ever noticed the languages spoken in the south of India i.e. - Tamil, Kannada, Telugu, and Malayalam sound nothing like north Indian languages? Well, that is because they belong to a completely different family - The Dravidian languages. Another major language family is the Sino-Tibetan one, which contains languages such as Chinese (Mandarin, Cantonese), Burmese and various Tibetan languages, including the ones used in the north-east of India.

Many languages belong to no family; languages like Basque, Albanian and even Japanese are a mystery to us. These are called language isolates; languages that do not belong to a particular branch of a language family or in some cases, at all.

Languages and humans

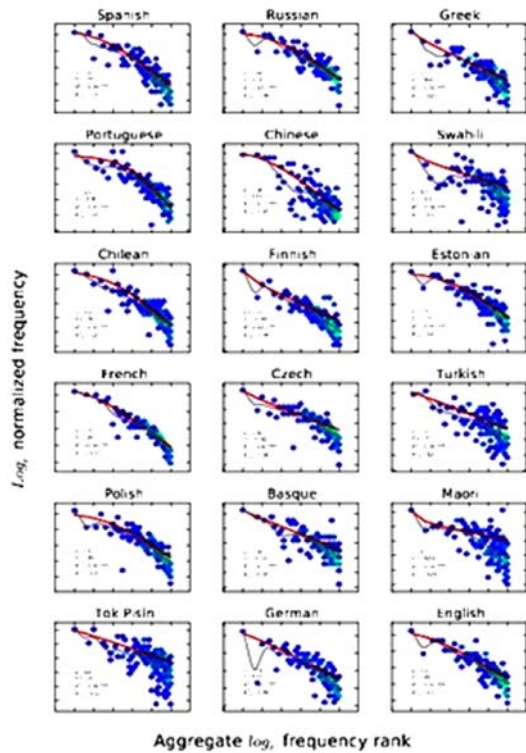

Languages come and go. They have evolved for millennia and will continue to do so; different cultures come in contact, exchange languages, exchange ideas and values. Our languages are changing every day as newer words get added and older ones are forgotten. Sometimes, languages go extinct; many tribal languages whose numbers fall in the thousands are bound to go extinct, in fact, some already have. Right now, there are between 6000 and 7000 languages spoken around the world out of which, just 20 make up half the world's population. Linguists predict that about 50-90% of languages currently spoken will be extinct by the end of this century - that's just over 80 years.

Language, speech, writing, these forms of communication are integral to who we are as a species, it is what makes us unique; makes us stand out in the animal kingdom. The concepts are so intrinsic to our existence, that it throws up some mind-blowing facts. For example, every single language in the world that exists and has ever existed follows the following pattern – The second most common word is used half as often as the first one, the third most common is used a third as often as the first one, the fourth most common as fourth and so on. This is an amazing discovery and it boggles people's minds to this day.

The following is the visual representation of words in English and how often they appear –

Similar occurrences are found in other languages as well –

If you sit down and think about it, we are slowly going back to a visual and gestural form of communication with our smartphones, PCs, TVs, etc. We are gradually, but surely evolving into a species whose communication revolves around speaking less and doing more. We are never away from a computer or a phone at any given time of the day; we prefer speaking to someone over texts than over a phone or in person. Our conversations are over in minutes if not seconds and that's a testament to how far human beings have come. From our first ancestor that made a hand gesture, to the ape-like sounds created by Homo Erectus and the fluid, complex languages of today, with the emergence of digital technology, we have become a species that communicates not just by wagging our tongues but also by wriggling our thumbs!

The Bombay Plan

(Memorandum Outlining A Plan of Economic Development For India)

Asst. Prof. Subhash G. Shinde

Vice Principal and HOD, Department of History

The Economic History of 20th century India would not be completed without referring to an important document, rather a Vision Document called 'A Plan of Economic Development for India' which is also popularly known as 'The Bombay Plan'. It was published in 1944-45 and divided into two parts. The contributors or writers of The Bombay Plan were the stalwarts from the world of business from different parts of India including Bombay city. They were already the established and reputed business leaders. The who's who from Indian business world viz. Sir Purshotamdas Thakurdas, J.R.D. Tata, G. D. Birla, Sir Ardeshir Dalal, Sir Shri Ram, Kasturbhai Lalbhai, A. D. Shroff and John Mathai were the people who penned this document in order to help government to design its economic policies in post second world war period. The writers of the Bombay Plan were assuming that after the Second World War some sort of national government would be constituted in India with a total freedom to make decisions in economic sphere of the country. Some of these businessmen were having the title of 'Sir' i.e. they were knighted by the British Monarch which shows that they were respected by the British government as well. Their contribution in the business related matters were aptly recognized by the government of the time.

Sir Purshotamdas Thakurdas was a cotton trader and was highly respected in the government circles.

J. R. D. Tata can be considered as the doyen of Indian business world from 20th century. He was born in Paris on 29 July 1904. He was half Parsi and half French. His father, Ratanji Dadabhoy Tata was Parsi and first cousin of Jamshedji Tata. As most of us know, Jamshedji Tata was a premier entrepreneur from India who had started the Tata Iron and Steel Company in 1907 at Sakchi, a place in erstwhile Bihar and now it falls in Jharkhand. Around 1919, this place was renamed as Jamshedpur by Lord

Chelmsford, the then Governor General of India in the honour of Jamshedji Tata. The name of J.R.D. Tata's mother was Suzanne Briere. He is considered as the first pilot of India and credited with expanding the Tata conglomerate by starting new companies such as Tata Consultancy Services, Tata Motors, Tata Salt, Voltas and other ventures. He was given the 'Legion of Honour', the highest Award of France. This Award was constituted long back by the legendary French Emperor and Warrior, Napoleon Bonaparte. Government of India also honoured him with the 'Bharat Ratna', the highest Civilian Award in India. It was JRD Tata who had recommended the name of Ratan Tata in 1991 to succeed him as Chairman of Tata Sons and lead the Tata Group.

Ghanshyam Das Birla a.k.a. G. D. Birla was born on 10 April 1894 in Pilani Rajasthan. Since pre-independence time he was known as the 'Nationalist Businessman'. He also started paper mills and made a foray into automobile industry by establishing the Hindustan Motors. The

famous car models produced by Hindustan Motors were Contessa and Ambassador. Contessa was also dubbed as the Indian Mercedes by some people. He had started the United Commercial Bank on 6 January 1943. This bank is known as UCO Bank at present. It was one of the banks nationalised by Mrs. Indira Gandhi in 1969. G. D. Birla along with Purshotamdas Thakurdas had established the Federation of Indian Chambers of Commerce and Industry (FICCI) in 1927. In 1964, he started one of the top-most Institutes of Higher Technical Education in India at Pilani, in Rajasthan, it was named as Birla Institute of Technology and Sciences (BITS). Some of the prominent alumni of BITS, Pilani are

Nanaji Deshmukh (Social Worker), Prof. S. P. Kothari (Academecian), Baba Kalyani (Businessman/Industrialist- Bharat Forge-Kalyani Group), Sunil Duggal (Dabur India), Prithviraj Chouhan (Former Chief Minister of Maharashtra).

Sir Ardeshir Dalal was known as the technocrat and administrator. In British India he had served on important administrative posts of government. In 1928 he became the first Indian to be appointed as the Municipal Commissioner of Bombay City. He was ICS officer. He joined the Tata Group in 1931 as Director of Tata Iron and Steel Company. He was with Tata Group from 1931 to 1941 and again from 1945 to 1949. Lord Wavell (Viceroy and Governor General of India between October 1943 to February 1947) appointed Dalal as the Member of Viceroy's Executive Council in 1944 to look after the Planning and Development.

Sir Shri Ram or Lala Shri Ram was born on 27 April 1884 in Delhi. He was associated with the Delhi Cloth Mills (DCM). He was the main spirit behind the establishment of important educational institutions in Delhi viz. Kasturbhai Lalbhai was born on 19 December 1894 in Ahmedabad. It is said that he was the descendant of Shantidas Jhaveri, the royal jeweller of Mughal Emperor, Akbar. His father, Lalbhai had started the Saraspur Cotton Mill in 1896. He became the President of Federation of Indian Chambers of Commerce and Industry in 1934. He also served as the Railway Minister and Finance Minister under Pandit Nehru. He was the first Chairman of State Bank of India. He was also the Vice Chancellor of University of Bombay from 1955 to 1957. Verghese Kurien, the man credited for bringing White Revolution (Milk Revolution) in India was his nephew. Mathai had also served as the Director of Tata Sons Ltd.

The brief profile of the authors and signatories to the Bombay Plan indicates its significance. These were the people who had created the niche for themselves in administration as well as business affairs of India during British rule. Their achievements had made the British government to take cognizance of it and accordingly not only to honour them but also exploit their expertise in designing and implementing government decisions, wherever needed.

The Bombay Plan(ners) were contemplating that there would be National Planning Committee and the Supreme Economic Council for designing and executing the economic plans respectively. And these two would function under the control or supervision of central government. The most important objective of the Bombay Plan was to double the per capital income of India within fifteen years from the implementation of the Plan. The Planners emphasised that the prime attention to be given for producing power and capital goods in the beginning while not neglecting the production of consumption goods for

consumers. While pondering over the financial aspect of implementation of the Plan, the authors said that the real capital of the country is resources in material and man-power. Once these are mobilised and properly canalised into economic activity most important thing is done. The Bombay Plan had envisaged reasonable standard of living with the emphasis on food, clothing, shelter, medical relief and education. The Plan believed that the people should be able to get balanced diet with 2,800 calories per day. The Plan stated that on the basis of the population of 1941 India would require 11,670 million yards of cloth for fulfilling the clothing needs of the country. Regarding housing space it stated the need of 100 square feet per person and the estimates for number of persons per house in 1941 were 5.1. Hence, it recommended the minimum 500 square feet as the average area of house where five persons can live comfortably.

For achieving the Minimum Health Standards, it recommended the steps such as proper sanitation and water supply, dispensary for every village, general hospitals and maternity clinics in towns and special institutes for treating the tuberculosis, cancer, leprosy, venereal diseases, etc. The Plan also discussed the nitty-gritties of above mentioned measures in detail.

The Planners had recommended that all the persons above the ten years of age should be able to read and write. It had suggested the school for each village with minimum basic facilities. It also gave emphasis on adult literacy. The Plan believed that for ensuring the minimum standard of living the per capital income of Rs. 74 was essential at pre-war (Second World War) prices.

The Plan aimed at threefold increase in the national dividend or income within fifteen years from the implementation of it.

The Plan classified the industries into two categories i.e. Basic Industries and Consumption Goods Industries. The former included power, mining and metallurgy, engineering, chemicals, armaments, transport and cement companies and that of latter textiles, glass, leather goods, paper, tobacco and oil Industries mainly.

As far as agriculture was concerned it proposed increasing agricultural production by 130 per cent with the suggestion of co-operative farming for increasing the size of agricultural holdings. It felt the need of liquidation of the rural or agricultural indebtedness. The Plan recommended the provision of Rs. 200 crores capital outlay and Rs. 10 crores as recurring amount towards conservation of soil and other measures for improving the quality of land. Apart from these aspects, it also advised extending the area of agricultural cultivation and increasing the production per acre. It talked about the Model Farms for educating the cultivators.

The Bombay Plan touched most of the important areas of economy and infrastructure such as transport and communication, railways, roads, shipping, education, sources of finance, needs of consumers, distribution of the national income, full employment i.e. suitable sources and opportunities of earning to every adult, urban and rural wages, agricultural prices, free social services which included the free primary and middle school and adult education and medical treatment both in urban and rural areas, due emphasis on utility services such as electricity, gas, transport, provision of National Relief Fund, social security measures, taxation of income, regional development, etc.

The Bombay Planners also recognized the role of State and its need based intervention in the economic affairs of the country. In addition to State functions such as managing currency and public finance, collection of statistical information/data, safeguarding the interests of economically weaker sections, it expected the State to deal with matters of ownership, control and management of economic enterprises. It suggested that enterprises owned by the State, public utilities, basic industries, industries using scarce natural resources to be controlled by the State. Thus, the Bombay Plan suggested the model of mixed economy in a way by giving space and defining the role of both the private Enterprise and the State in economy and industrial sector.

The authors of Bombay Plan were of the opinion that the Bombay Plan should be split into three five

year plans and to be implemented accordingly in total fifteen years.

The Bombay Plan was published in two parts. The second part of the Plan was not signed by Sir Ardeshir Dalal as by the time second part was published in 1944, he was appointed as the Member for Planning and Development in Viceroy's Executive Council.

It is advisable for the students of economics, commerce and management in particular and all other students in general to study and analyse the Bombay

Plan as it is very important Document which tried to give important piece of advice to government on economic affairs. In 2018, the Rupa Publications India Pvt. Ltd. has published a fantastic book on Bombay Plan. The title of the book is 'The Bombay Plan: Blueprint for Economic Resurgence'. It has been edited by

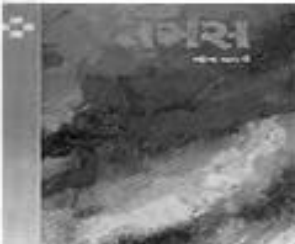

Sanjaya Baru who was Media Advisor to Dr. Manmohan Singh, the former Prime Minister of India and Lord Meghnad Desai, the UK based economist and politician. It's a must read book.

मेरी यात्रा सफर

प्रार्थना संतोष शिंदे

एक बार में गर्मियों की छुट्टी में अपने माँ, पिताजी, चाचा, चाची, बहन, भाई और नाना-नानी के साथ केदारनाथ यात्रा पर गए थे। केदारनाथ वह स्थान है जहाँ देवों के देव महादेव है, केदारनाथ की सुंदरता का भी कोई जवाब नहीं। एक उँचे पहाड़पर शिवजी का यह सुंदर मंदिर बनाया गया है। उस स्थान को केदारनाथ कहते हैं।

एक दिन मेरी ५ वी की गर्मियों की छुट्टी शुरू हुई बभी हम सबने केदारनाथ जाने का प्लान बनाया। हम यहाँ से हरिद्वार एक्सप्रेससे गए। हरिद्वार में हमने एक रात ऋषी मुनियों के आश्रम में बिताई। वहाँ से हम सुबह होते ही केदारनाथ की तरफ निकल पड़े। हमें वहाँ जाते समय बहुत कठिनाइयोंका सामना करना पड़ा था। हमने केदारनाथ और वहाँ के आस-पास की जगहों पर घुमने के लिए तवेरा गाड़ी बुक की थी। वहाँ बारिश गिर रही थी।

हम आधे रस्ते पहुँचे ही थे तभी हमारे गाड़ी के ऊपर छोटे-छोटे पत्थर गिरने लगे वह देख हमारे ड्राइवर ने गाड़ी तेजीसे भगाई आरै आगे जागर रुक गई, देखने पर पता चला की आगे एक स्कूटर और २ गाड़ियों पहाड़से बड़े बड़े पत्थर गिरने की वजह से ऊपर से निचे गिरी इसलिए वहाँ ट्रैफिक जाम हुआ। इसी बीच जोरदार बारीश होने लगी पूरे रास्ते पर अंधेरा ही छा गया। बारीश और ठंड के वजह से वहाँ घना कहरा छा गया। फिर थोड़ी देर बाद रुकने पर वहाँ की स्थिति सुधर गई और बारीश भी धीरे-धीरे कम होने लगी, फिर हमने एक रात वही निचे होटल में रुक लेकर बिताई और सुबह तोते ही हम वहाँ के गरम पानी के कुंड में जाकर नहाए और केदारनाथ चढ़ना शुरू कर दिया। मेरे नाना-नानी के पैर के तकलिफ के कारण व हमारे साथ नहीं आए निचे होटल में ही ठहरे।

फिर हमने सोचा हम घोड़े से ऊपर जाने पर पुछने पर पता चला की वहाँ के सारे घोड़ों को कुछ बिमारी हुई है और व घोड़ें वजन उठाकर चल नहीं सकते। फिर हमने निराश होकर चलना शुरू किया। पहाड़ चढ़ते समय मेरा भाई हम सब के आगे था। उसके थोड़े पिछे, मेरे पिताजी और चाचा साथ थे। उनके थोड़े पिछे मैं और मेरे चाचा की लड़की, मेरी बहन दोनों साथ में थी और अंतिम में मेरी माँ और मेरी चाची धिरे-धिरे

आ रहे थे। वहाँ थोड़ा ऊपर पहुँचते ही मौसम अजिब सा होने लगा। कभी धूप विफलती थी कभी बारिश तो कभी कडाके की ठंड। असी वजह से हमने स्वेटर के ऊपर रेनकोट पहना था। गलती से मेरा रेनकोट तो माँ के पास ही छूट गया तो मुडते मरी बहने उसका रेनकोट मुझे पहनाया। हम दोनों के पैर चलते चलते दर्द होने लगे थे। मुझे भूख भी लगी थी और निंद भी आ रही है। पर हुआ ऐसा की मेरे बहन के पास पैसे ही नहीं थे। खाने के लिए फिर हमें भूखा ही रहना पड़ा। धिरे-धिरे अंधेरा होने लगा। हम दोनो थोड़ा दूर गए की अब हम अकेले ही हैं। हम सब बिछड गए थे। मेरी भूख के वजह से बहुत हालत हुई और निंद भी उतनी ही आ रही थी। अब करे तो क्या करे। वहाँ पर राह को भाड़े से एक गदूया मिलता था। मेरी बहन ने सोचा की वह लेते हैं पर उसके पास तो पैसे ही नहीं थे, फिर कुछ देर बाद शिवजी की कृपासे हमें एक शादी शुदा जोड़ा मि। उनके ही साथ हम दोनों ऊपर पहुँचे। ऊपर मेरे पिताजी ने पहले से ही हमारे लिए रुम बुक किए थे। हमने ऊपर आकर जब पिताजी को देखा तो फूटफूट कर रोने लगे। मुझे बहुत भूख लगी थी। इसलिए पिताजी ने मूँग खिचडी मँगाई पर मुझे इतनी गहरी निंद लगी की मैं वह खाना ही भूल गई। फिर थोड़ी देरी बाद मेरी माँ और चाची आ गए। मैं इतनी गहरी निंद सो रही थी की मेरी माँ मेरी साँसे चल रही हैं की नहीं देख रहीं थी। वह सब के बाद हम सुबह-सुबह दर्शन करने निकले। वहाँ का पानी भी इतना ठंडा था की, मैंने तो स्नान ही नहीं किया। सुबह जब हमने मंदिर देखा तो वह इतना सुंदर था की, हम अपने सारे दर्द भूल गए। वहाँ पर दर्शन के २ लाइन में एक औरत ने मुझे ठंड लगर रही थी तो पैर के निचे रखने के लिए अपने ऊपर की शाल हमें दी। हमें तब लगा खूद शिवजी ही उस औरत के रूप में आए हो। फिर हमने अच्छे से शिवजी का दर्शन लिया और पहाड़ उतरना शुरू किया। १४ कि.मी. का वह पहाड़ उतरते समय हम सबने यही ठान लिया की सब साथ में चलेंगे और उतरते वक्त पूरे रास्ते की लाइट चली गई थी। हम सब साथ में टॉर्च लेकर पहाड़ उतरे और विजयी भरी साँस ली।

इसतरह हमारी यह यात्रा एक यादगार यात्रा बन गई। मैं यह यात्रा अपने जीवन में कभी भी भूल नहीं पाऊँगी।

हर मुद्दे की शुरुवात समझने का सबसे उत्तम पर्याय है कहानी। आज ऐसी ही एक कहानी है, जो मैं आप सभी को सुनाने जा रही है। एक माँ जो अपने बच्चे को उसकी कोक में नौ महीने पालती है, जन्म होने पर उसे सीने से लगाए रखती है। उसके दुख में उसके सुख में हमेशा उसके साथ रहती है। चाहे लोग कुछ भी कहे, सलाह दे, निंदा करे पर उसके लिए उसका बच्चा सबसे अलग और सिलाना होता है। पर बड़े होने के बाद अपने पैरो पर खड़े होने के बाद चार लोगों से मिलने के बाद वह बच्चा अब वही प्यार अपनी माँ को नहीं दे पाता। आज वह आजाद है तो माँ का वजूद भी उसे माँईने नहीं रखता। सोचनेवाली बात है जनाब की, क्या उस माँ को फिर वही प्यार और विश्वास अपने बच्चे पर आएगा? एक माँ के प्यार के समान ही कुछ किया बापू ने अपने भारत माता और देशवासियों पर। लेकिन अफसोस वही प्यार और विश्वास हम बापू को दे न सके। आज गांधीजी के देशप्रेम पर सवाल उठानेवाले मैं तुमसे एक सवाल करना चाहूँगी तुम्हारे सुना लहु की गर्मीयोंने आज तक देश के लिए कुछ किया है। पर उन्होंने ६१ साल की उमर में दान्डी मार्च लगाई। अंदाजा लगा लीजिए कितने चले होंगे। शायद आप अपने पूरे जीवन में देश के कार्य के लिए इतना ना चले होंगे। आज उनका देश उन्हें बापू कहने से क्यों कतरता है। उनके तरीके की उस वक्त सराहना की जाती थी तो फिर अब नींदा क्यों?

बापू ने अहिंसा और एकता का सपना देखा था। देश का इतिहास हम सभी ने पढ़ा है। देश के लिए गांधीजीने क्या

किया? ये बताने से ज्यादा जरूरी है कि यदि आज गांधीजी होते तो आज का भारत कैसा होता। गांधीजी के सत्य और अहिंसा के पाठ ने आजाद भारत की नींव रखी किन्तु आज का आधुनिक भारत इस विचारों पर संदेह उठाकर सही काम कर रहा है? सोचने वाली बात है जो व्यक्तिमव आज तुम्हारी आजादी का कारण बना उसी विचारों पर सवाल उठाकर क्या हम अपने देशभक्तों पर एक अन्यायजनक स्वभाव नहीं बता रहे। हाल ही में हुए जेएनओ विश्वविद्यालय के छात्रों ने किया कांड सामने आने पर आज का भारत अहिंसा से भरपूर और द्वेषता घिरा दिख रहा है। युवा ही हिंसा के मार्ग पर चल बापू के विचारों की आलोचना की। अगर आज बापू जिंदा होते तो ये सब शायद कभी न होता। आज हमारे देश में किसान फाँसी लगा रहे हैं। पर यदि बापू जिंदा होते तो वह सत्याग्रह की तरह किसानों के लिए भी आंदोलन करते। कोई किसान फाँसी न लगाता। किसी किसान के घर मातम न मनाया जाता। आज महिलाएँ अपने ही देश में सुरक्षित नहीं हैं। आजकल आए, दिन कोई न कोई महिला के साथ हुए गलत काम की खबर सुनाई पड़ती है। बापू होते तो शायद आज महिला सुरक्षित होती। महिलाएँ घर से निकालने से न डरती। माँ-बाप अपनी बेटी को अकेला छोड़ने से न डरते। आज हमारा देश धर्म, जाती तथा भाषा के नाम पर वापस बटने जा रहा है। बापू ने हमेशा देश के लिए सबकुछ कुरबान कर दिया। आजकल लोग अपनी मातृभाषा बोलने में हिचकिचाते हैं। उन्हे शरम आती है। बापूने मातृभाषा की बात कि थी।

बापू के सपनों को फिर से सजाना है,
देकर लहू का कतरा इस चमन को बचाना है।
बहुत गा लिया हमने आजादी के गानों को,
अब हमें गांधीजी के विचारों को अपनाना है।?

खुशी

खुशी छोटैके ख्वाब में भी है,
और बाग के महकते गुलाब में भी है।
खुशी राह में भी है,
और किसी के चाह में भी है।
खुशी दिन के आराम में भी है,
और करनेवाले हर काम में भी है।
खुशी कुछ पाने के जुगुन में भी है,
और मदत करने के सुकून में भी है।
खुशी बहती हुई झील में भी है,
और मिलनेवाली मंजिल में भी है।
खुशी दिल से निकली खच्छाई में है,
और दुखों की भलाई में है।
खुशी हर अच्छे कर्म में है,
और मानवता के धर्म में है।
खुशी मन से की गई मक्ती में है,
और दिल से निभाई दोस्ती में है।
खुशी बच्चों की शरारत में भी है,
और बड़ों की मोहब्बत में भी है।
खुशी बहते हुए पानी में भी है,
और उभरती हुई जवानी में भी है।
खुशी खुद समंदर बनने में भी है,
और नदी बनकर राह चुनने में भी है।
खुशी लोगों के लिए कुछ करने में है,
और देश के लिए मरने में है।

किन्नर

छिप-छिपकर हम बोलें,
समाजवालों के डर से बाहर ना आ पाए,
घुट-घुटकर जिया,
समाज वालों ने ऐसा किया,
किन्नर हूँ, देव का अंश हूँ।
बेटा देव का रूप,
बेटी देवी का रूप,
पर किन्नर किसका रूप?
किन्नर हूँ, देव का अंश हूँ।
कहता है समाज पुरुष और नारी एक,
पर उसका क्या जिसमें दोनों है नेक,
किन्नर हूँ, देव का अंश हूँ।
कहता है समाज नीच है तू, दारिद्र्य है तू लीला में,
पर क्या है दोष उसका इस में,
किन्नर हूँ, देव का अंश हूँ।
क्या गलती थी हमारी,
ना चोरी किया, ना डाका डाला, ना अपशब्द बोले
फिर क्यों फैली ऐसी भ्रष्ट बिमारी,
किन्नर हूँ, देव का अंश हूँ।
थोड़ी-सा इज्जत ही तो माँगी थी,
कोई गुन्हा तो नहीं किया था,
किन्नर हूँ, देव का अंश हूँ।
बच्चे हमें भी अच्छे लगते हैं,
पर पता नहीं क्यों वे भी डर कर भागते हैं,
किन्नर हूँ, देव का अंश हूँ।
ए समाज वालों किन्नर-किन्नर ना बोलो,
वही लेने के देने ना पड जाए,
कहो तुम्हारे साथ ऐसा ना हो जाए,
किन्नर हूँ, देव का अंश हूँ।

आज का व्यक्ती

देखा है, मैंने हर क्षण को जमाने में मुक्कुवाते हुए
सुबह को शाम करते हुए
शाम को सुबह करते हुए...
पल भर की जिंदगी में
सबकुछ इकट्ठा करते हुए
है, आखूँ उसे दो पल का सुख मिल जाए
इस जन्म से...
भरी सुबह देखा है, मैंने हर क्षण को मंजिल की ओर बढ़ते हुए,
मंजिले न जाने कहाँ से होकर जाती हैं?
ना तो उसका मुकाम पता, ना जाने बधाहियों का पता...
मैंने तो उसे उसकी तलाश में भटकते...
देखा है, मैंने हर क्षण को जमाने में मुक्कुवाते हुए
सुबह को शाम करते हुए
शाम को सुबह करते हुए देखा...
है, तमन्ना उसके मन की वो जल्द ही पहुँचे अपनी मंजिल पर,
साथ आफताब, महताब लेते हुए...
है, दो पलों की जिंदगी में चाहता है, कर लूँ...
सबकुछ इकट्ठा आहिस्ता-आहिस्ता...
बीत रही हैं, जिंदगी उसकी सागर की बूँदों से,
आसमाँ.सा हौसला लेकर जमीं पर चलते हुए...
देखा है, मैंने हर क्षण को जमाने में मुक्कुवाते हुए
सुबह को शाम करते हुए
शाम को सुबह करते हुए...
कल पता है, उसे मिल जानी है, मंजिले
यूँ ही नदियाँ के साथ बहते हुए
देखा है, मैंने हर क्षण को
सुबह नदियों से मिलकर
शाम को समंदर हो जाते हुए...
देखा है, मैंने हर क्षण को जमाने में मुक्कुवाते हुए
सुबह को शाम करते हुए
शाम को सुबह करते हुए...

दहेज

दहेज! जो नव विवाहित का वजन बढ़ाता है।
दहेज! जो संस्रुत संस्रुत की पगड़ी ऊंचा उठाता है।।

दहेज! जो पति-परमेस्वर के गौरव में चांद लगाता है।
दहेज! जो शानो शौकत की शाखों पर लुटाना सिखाता है।।

दहेज! जो स्वर्ण रजत सिंहासन पर गर्व से बैठाता है।
दहेज! जो बनकर तवाजू सबको सबकी औकात बताता है।

दहेज! तू विधिम्य है, तज्ञ है, नितज्ञ है, विक्षेपज्ञ है।
तू ही तो यज्ञ है, सर्वज्ञ है, मर्मम्य है, पंचज्ञ है।।

दहेज! तू पान है, तू शान है, तू मान का अभिमान है।
तू ही तो ज्ञान है, विज्ञान है, विद्वान है, भगवान है।।

दहेज! क्या व्यंग्य है! वर पक्ष ने तुझको चढ़ाया है चने की झाड पर।
व्योम से गिरकर भला अटका हुआ है तार पर।।

झूठी शाखों के बीच, वृथा क्यों करता जाता भूल।
सुरद्री घावों के बीच, खिलना हो ज्यों बेहया का फूल।।

सोच ले नन्ही चिन्ना झूलती जिस बाँह में।
बैठ कंधों पर टहल की थी प्रकृति की छाँव में।।

गूँजती किलकारियाँ, हर्षित मुदित जिस गाँव में।
वह प्यार, ममता, बनेह, सेवा छोड़कर उस छाँव में।।

लेकर तुझे बनकर वधु आई नए संसार में।
जीवन बिताना है इसके अब, बस इसी परिवार में।।

हर कष्ट सहकर काम करती, आंसुओं को पी रही।
हर डोर रिकते की संभाले, मुक्कुवा कर जी रही।।

सहती तुम्हारी यातना, करती नहीं कुछ कामना।
प्रतिबोध मन में है नहीं, निर्मल है इसकी भावना।।

फिरती बजाती टहल सबकी सेविका सी रात-दिन।
आठों पहर की वेदना, सप्ताह के हर सात दिन।।

पर क्षुधा बनकर मांग तेरी, अनमिनत बढ़ती गयी।
लाचार बन असहाय सी, कुदती रही पिसती गया।।

किंतु दहेज! वर पक्ष का तू पक्षधर, भीगी नहीं पलकें तरी।
निर्मोह, निष्ठुर, नीच, निर्मम, नञ्ज नियत थी तेरी।।

बढ़ती पिपासा मांग पूरी कर रहे, वे जनक जननी थक गए।
सब गवां कर असमर्थ हो, सिर धाम कर अब कक गए।।

बलहीन कर दी वे भुजाएँ, सबल कंधे झुक गए।
 सब कुछ चढ़ा कर भेंट तुझको, देख कैसे लुट गए।।
 फिर भी हुआ है हृदय से, बेटे मेरी खुशहाल हो।
 निश्चिंत हो, संपन्न हो, सुखद वर्तन का सुखाल हो।।
 पर कुटिल कुत्सित नीति तेरी, क्यों किसी को भा गई।
 हाय निर्मम! भूख तेरी नवधू को खा गई।।
 तू असाध्य व्याधि है, अपराध है, कुकृत्य है, कलंक है।
 इस सुधर संसार का तू, कोढ़ व्यापित अंग है।।
 निश्चर भयंकर दुष्ट को, हथियार लेकर काट दो।
 बाँझ, बायस, चिढ़ को, टुकड़े जलाकर बाँट दो।।
 नवयुवक नवयुग के उठो, नव प्रेरणा नव देखा हो।
 नव सुखि हो, नव रश्मि हो, नव धू को संदेखा दो।।

नशा

कोई कहता सुकुन तो किसी के लिए सहाय है,
 नशी की लत का यह कैसा बहाना है।
 आज के युवा गुम है इस जुठे अफसाने में,
 बेवकूफी कहूँ या लाचार है अपनी मर्दानगी जताने में?
 तेरा वह नशा करके घर आना,
 सच्चाई छुपाने के खातीन अपनों से नजरे चुराना।।
 तरे अपने तेरी करतूत से अंजान नहीं है,
 खामोशी जरूर है पर बेजुबान नहीं है।
 वक्त का भी वक्त बदलते देखा है,
 एक हँसते-खेलते आशियाने को बिखरते देखा है।
 कहने को तो सुकुन था तेरा यह नशा,
 पर इस नशी की आग में मैंने चिता जलते देखा है।
 मौका रहते संभल ना जरा,
 कांटों के बीज अपना रास्ता खुद बना।
 बदनाम बहुत हुआ अब कमाना नाम है,
 क्योंकि उगते सूजन को ही सबका सलाम है।

बिजली के आविष्कार का मुख्य स्रोत-मुनि अगस्त!!

ओंकार घाणेकर

बिजली का आविष्कार : महर्षि अगस्त्य एक वैदिक ऋषि थे। निश्चित ही बिजली का आविष्कार थॉमस एडिसन ने किया लेकिन एडिसन अपनी एक किताब में लिखते हैं कि एक रात मैं संस्कृत का एक वाक्य पढ़ते-पढ़ते सो गया। उस रात मुझे स्वप्न में संस्कृत के उस वचन का अर्थ और रहस्य समझ में आया जिससे मुझे मदद मिली।

महर्षि अगस्त्य राजा दशरथ के राजगुरु थे। इनकी गणना सप्तर्षियों में की जाती है। ऋषि अगस्त्य ने 'अगस्त्य संहिता' नामक ग्रंथ की रचना की। आश्चर्यजनक रूप से इस ग्रंथ में विद्युत उत्पादन से संबंधित सूत्र मिलते हैं-

संस्थाप्य मृण्मये पात्रे
ताम्रपत्रं सुसंस्कृतम्।
छादयेच्छिखिग्रीवेन
चार्दाभिः काष्ठापांसुभिः॥

दस्तालोष्टो निधात्वयः पारदाच्छादितस्ततः।

संयोगाज्जायते तेजो मित्रावरुणसंज्ञितम्॥

- अगस्त्य संहिता

अर्थात् : एक मिट्टी का पात्र लें, उसमें ताम्र पट्टिका (Copper Sheet) डालें तथा शिखिग्रीवा (Copper sulphate) डालें, फिर बीच में गीली काष्ठ पांसु (wet saw dust) लगाएं, ऊपर पारा (mercury) तथा दस्त लोष्ट (Zinc) डालें, फिर तारों को मिलाएंगे तो उससे मित्रावरुणशक्ति (Electricity) का उदय होगा।

अगस्त्य संहिता में विद्युत का उपयोग इलेक्ट्रोप्लेटिंग (Electroplating) के लिए करने का भी विवरण मिलता है। उन्होंने बैटरी द्वारा तांबे या सोने या चांदी पर पॉलिश चढ़ाने की विधि निकाली अतः अगस्त्य को कुंभोद्भव (Battery Bone) कहते हैं।

‘शिवतांडवस्तोत्रा’च्या दुसऱ्या श्लोकात रावणाने शिवाच्या सौम्य आणि रौद्र रूपाचे सशक्त व सुंदर वर्णन करत त्यांच्या प्रति अपला अनुराग व्यक्त केला आहे. रावण म्हणतो जटेतून फिरणारी गंगा सुरसरितेची चंचल लाट बटेने ज्यांचे शीर शोभायमान होतेय तसेच भालावर प्रचण्ड अग्नि धगधगतोय, अशा किशोर-चंद्रमां बाल-चंद्रमां मस्तकावर शिवशंकराच्या शोभतोय. माझा अनुराग प्रत्येकक्षणी वाढतोय.

ह्या श्लोकात जटेत बांधलेले केसांचा आकार टोपली सारखा आहे. त्यातून सुरसरिता अर्थात् गंगा नदी अति वेगाने क्रीडा करतेय. गंगेला उपमा लता व वेलीची दिली आहे. ज्याप्रमाणे लता वेली, तरु फांद्या ना लीपटत वाकड्या चालीने चढत आपल्या चालीने पुढे मागे खाली वर होते ते दृश्य कसे लोभसवाणे असते तशी गंगा लोभसवाणी दिसते शंकराच्या माथ्यावर. अपुल्या जटेची एक बट शिवशंकर खोलतात तेंव्हा वायूवेगाने गंगेचा प्रवाह पृथ्वीवर कलकलाट करत वाहायला लागतो.

तीन वेणियों अर्थात् तीन जलधारांचा संगम प्रयागराज मध्ये त्रिवेणी म्हंटला जातो. अपल्या सर्पिल जटापथ पर चक्कर टाकणारी गंगा वेगवेगळ्या जलधारेने धावते. डोक्यावरील चंद्राच्या धवल प्रकाशात ती ज्योति सारखी दिसते. हे शिवाचे सौम्य रूप आहे. येथे परम शैव गन्धर्वराज पुष्पदंतानी लीहलेल्या ‘शिवमहिम्नस्तोत्रातील’ एका श्लोकाचे स्मरण होते.
